

KS2 Topic KCV – Willow Class Summer 1 2023

The Environment

Key Concepts

How do humans pollute the environment?
 In what ways can industry damage our environment?
 How can we identify a well-cared-for environment?
 Why should we limit our use of fossil fuels?
 What is the advantage of renewable energy for our environment?
 What happens when we don't reduce, recycle and re-use?
 Why was the countryside code introduced?

High Frequency Vocabulary (Tier 2)		
recycle	waste	Local
reduce	energy	national
