

## Y6 Subject: RE Christianity— Salvation

### Is anything ever eternal?

### Why are we learning about Christianity - Salvation?

It is important to know the Christian view of salvation and eternity because the belief in salvation underpins many Christian beliefs. In a country where Christianity is still the most common religion, having a good understanding of this is helpful in order to be able to show tolerance and make our own decisions about faith.

We are building on our previous learning about:

Christianity (Years 1-6)

Palm Sunday (Year 1), The Resurrection (Year 2), Good Friday (Year 3), Jesus' death (Year 5)

### Important questions to answer:

- Does anything last forever?
- What does the Bible teach about eternity?
- What do Christians believe about love and forgiveness?
- How do Christians believe you get to heaven?
- What is the Christian belief about eternal life?

### Things we need to know:

- To know the opinions of our classmates about whether anything lasts forever
- To know bible verses and passages about eternity and what they mean, such as John 3:16 and John 14:2
- To know that Christians believe in love and forgiveness and how it applies to their lives
- To know how Christians believe you get to heaven through believing that Jesus was a sacrifice for their sins, based on the teachings of the bible
- To know what Christians believe that anyone who trusts Jesus as Lord receives eternal life

### Skills we need to learn:

- I can **discuss** if anything lasts forever
- I can **explore** and **explain** what the bible teaches about eternity
- I can **discover** how the Christian values of love and forgiveness are applied
- I can **explain** how Christians believe you get to heaven
- I can **summarise** the Christian teaching of eternal life

### Subject Specific Vocabulary:

salvation	eternal life	commandments
eternity	perspective	heaven
agape	vows	hell
forgiveness	symbolism	crucifixion
parable	unconditional	resurrection

### Experiences we will have:

- Class discussion/debate—Does anything last forever?
